

## HELP US BRING LUCY & HER FAMILY HOME

*"This is the first sight of hope that I have had in a very long time" says Lucy about the upcoming renovation of her home. "I believe that God's love is manifesting through all of those wonderful people that are helping me, and I can't help but have tears of joy." - Lucy*

### LUCY'S STORY

---

Lucy came to the U.S. from Guatemala in 2001 seeking a better life for her and her two children. She has since worked full-time as a housekeeper and saved up to bring her children to the U.S. In 2020, she bought a mobile home in Beaverton, Oregon, only to find out it was uninhabitable. Now, with donated labor by LatinoBuilt Trade Association members, *and your generous cash contributions*, Lucy and her family will have a fully renovated home by Spring 2021.
