LATINO BUILT FOUNDATION

MESSAGE FROM THE BOARD CHAIR

Amigos, It was an honor to continue advancing opportunities and advancements for Latino contractors with you in 2022.

In fact, the Foundation's partnerships expanded by 30% to 43 community partners. Meanwhile, gifts, grants and donations to the Foundation nearly doubled year-over-year.

Your incredible community contributions allowed us to invest more in support and wrap-around services for our Latino construction contractors and their families, including:

- » a newly renovated, dedicated office space for the LatinoBuilt Association & Foundation;
- » more than 150 families benefiting from our third-annual Toy Drive;
- » two new workforce development scholarships to Oregon high school graduates; and
- » marketing and technical support for Latino business owners with the help of a grant from Business Oregon.

It's incredible to think how far we've come since 2020 when LatinoBuilt Foundation was formed, as we carry forward our mission to improve the lives and businesses that form the backbone of Oregon's construction industry.

Thank you for being on this important journey with us to build better, safer, stronger Latino communities!

Rosa Martinez
Chair of the Board, LatinoBuilt Foundation
President, PMG Inc.

TOGETHER
WE CAME THROUGH
ANOTHER YEAR STRONGER,
AND MORE CONNECTED
THAN EVER.

WORKFORCE DEVELOPMENT

Congratulations 2022 Scholarship Recipients, Miguel Rosales and Sonia Hernandez! Two high school graduate scholarship recipients were awarded \$500 toward their technical or academic training in the pursuit of a construction industry career.

Donors are the backbone of LatinoBuilt Foundation's successful support for Oregon's Latino construction contractors and their families. From workforce development to wrap-around services, closing the opportunity gaps seems daunting, yet support continues to growing.

.....

Connecting resources to directly support Latino communities who benefit from them, is what we're all about, and we couldn't do this work without our dedicated grantors, donors, funders and partners – thank you!

PROGRAM SPOTLIGHT | LATINOBUILT OFFICE

The new LatinoBuilt Association and Foundation offices opened in May 2022 and are located at 8548 S.W. Apple Way in Portland.

The Foundation's Nuestro Hogar "our home" program changes lives by adopting one or more projects each year to benefit members of the Latino community.

In 2022, the Foundation adopted the LatinoBuilt Association to create space for its expanding members, staff, and community partners. Our new space hosts the Association offices, as well as trainings, workshops, and meetings that benefit Oregon's Latino construction community.

Special thanks to the many association members and partners, especially H.E.L.P. PDX, PMG Demolition & Abatement, who contributed their services, materials, and expertise to this year's Nuestro Hogar!

PROGRAM SPOTLIGHT | 3RD ANNUAL TOY DRIVE SUPPORTS 150+ FAMILIES

On behalf of the Church of Santa Ana and the community, I would like to thank the LatinoBuilt Foundation for bringing joy to the families who requested help this Christmas. Thank you for bringing a smile to children of these families when they receive a gift.

.....

Thank you SO much for supporting our kids and families this holiday season!
